

Creator Money Habits Checklist

Simple, non-shamey habits to keep your money calm, clear, and creator-friendly.

Daily Money Habits

Tiny, creator-friendly habits that keep your money calm without taking over your day.

- Review yesterday's sales or income (no judgment, just awareness)
- Check for any new expenses or subscriptions
- Move receipts into your digital folder or app
- Update one tiny thing in your bookkeeping (30 seconds)

Weekly Money Habits

A quick weekly reset to keep your numbers accurate and your stress low.

- Categorize your week's income and expenses
- Check for duplicate charges or missing receipts
- Update your inventory or materials used
- Transfer money into your tax or savings account

Monthly Money Habits

Your monthly clarity moment — simple, structured, and creator-friendly.

- Reconcile your bank account(s)
- Review your income vs. expenses for the month
- Update your product or service profitability
- Set one money goal for next month
